

JERICHO PUBLIC LIBRARY

A Message from the Director

Dear Residents,

The Jericho Public Library budget for the fiscal year 2010/11 was overwhelmingly approved by the community on May 18th. On behalf of the Board of Trustees and the entire library staff, I would like to thank you for your ongoing support and assure you that we will continue to provide you with the excellent services you have come to expect from the library. Trustee David Diamond, who now serves as President, was likewise overwhelmingly reelected to the Board. Mr. Diamond has been an invaluable advisor and participant in library affairs and we look forward to working closely with him during his new term.

A Potpourri of Programs

The Founding Writers with Dr. William Thierfelder

The Gentlemen

Monday, July 12th at 2 PM

This presentation focuses on seven of America's earliest writers, men whose work helped to forge opinions, establish how the world saw the colonies and the fledgling nation. John Smith, William Bradford, Edward Taylor, Jonathan Edwards, Benjamin Franklin, Thomas Paine and Philip Freneau represent the broad range of literature written between 1600 and 1800.

The Ladies

Monday, August 9th at 2 PM

This program features seven of America's earliest female writers whose letters, poems, journals and fiction give us a vivid picture of Colonial and Revolutionary America. Anne Bradstreet, Mary Rowlandson, Sarah Kemble Knight, Sarah Morton, Ann Bleeker, Judith Murray and Phillis Wheatley represent the views of American women from 1600 and 1800.

Readings from their works will be enhanced by music and art from the period.

Art Lectures

presented by

Professor Thomas Germano

Henri Matisse

Tuesday, July 27th at 2:00 PM

Henri Matisse was primarily known for his paintings filled with color and fluidity. Matisse was also known as a master draftsman, sculptor and printmaker. His body of work spanned over a half century and won him recognition as a leading figure in modern art. Join Professor Germano for an in-depth

look into the art of Henri Matisse.

Painters of the Sea

Tuesday, August 24th at 2:00 PM

Itinerant painters working for sea captains as well as established artists painted man's heroic naval vessels and travels on the high seas. From the ancient Greek representations of Odysseus's travels painted on ceramic vases to artists from the 17th century Baroque period and 19th century Romantic artists, the sea has held a fascination for artist and viewer alike. Artists included in this visual lecture are Claude Lorraine, Jacob van Ruisdael, Joseph William Turner, Caspar David Friedrich and many more related to this timeless and fascinating subject.

Music Lectures

Beethoven's Piano Variations

with Dr. Stuart Bailin

Monday, July 19th at 2:00 PM

It is well known that Ludwig van Beethoven was both a virtuoso pianist and outstanding composer. Throughout his lifetime he composed a total of twenty-one sets of piano variations on various themes. His ability to improvise was one of his greatest gifts.

Klezmer Music:

From Old World to New World & Our World

with Robert L. Cohen

Folk & Jewish Music Historian

Friday, July 23rd at 2:00 PM

Klezmer music was the instrumental music that traditionally accompanied Jewish weddings in Eastern Europe. It migrated to this country, along with the musicians who performed it, in the late 19th and early 20th centuries. It has been Americanized and enlarged with a Yiddish vocal repertoire. In today's program, Robert will discuss classical and contemporary klezmer instruments and music. He will also play music from rare European recordings as well as from today's klezmer revival.

Beethoven's Choral Works

with Dr. Stuart Bailin

Monday, August 23rd at 2:00 PM

Beethoven wrote many vocal pieces, songs, choral works, cantatas and religious masses. His choral works are very beautiful and among his greatest compositions. Beethoven felt that some of his most outstanding works were for the voice. This program will include *Fidelio*, the *Missa*, the 4th movement of his *9th Symphony* (also known as the *Ode to Joy*) and much more.

Great Performers

The Three Tenors:

Pavarotti, Domingo and Carreras

with Marc Courtade

Friday, August 27th at 2:00 PM

The world of opera was blessed by the presence of three contrasting tenors, Luciano Pavarotti, Placido Domingo and Jose Carreras. From the 1960s to the present, their voices have enriched the opera stage and placed indelible stamps on their signature roles. They all had spectacular opera careers before they collaborated on a series of concerts which helped introduce opera and zarzuela to a wider public. This talk will explore the legacy of each, with recorded excerpts and commentary.

All the World's a Stage

with Shirley Blanc Romaine

East Side, West Side...

All About New York

Tuesday, July 13th at 2:00 PM
