

Important Announcement

The March/April 2011 Newsletter is the last one that you will receive in the mail. Mailing and printing costs have risen astronomically. In our effort to be fiscally responsible as well as reduce the environmental footprint of the Jericho Public Library, you will now be able to receive the newsletter by email or view it and/or print a copy from the Library's Web site. Sign up today on the Library's home page at www.jericholibrary.org or complete a blue email registration card at the Library to receive the newsletter by email. Join in the Library's effort to make a positive impact on our budget and create a greener society.

Note that a limited number of print copies of the newsletter will be available at the circulation desk.
