JPL Museum Pass Program

“How can I get a museum pass?”

Passes may be reserved by going to www.jericholibrary.org/museumpass. Once you have read and accepted the Museum Pass Policy, click on the Museum Pass logo at the bottom of the screen. This will take you to the online reservation system. You can search by museum name or by the date you would like to use the pass. Passes are subject to availability, and are reserved on a first-come, first-served basis.

There are two types of passes:

- **Print on Demand**— These passes may be printed from home. *Reservation is for 1 day, the date of your visit.*
- **Pick up/Return**— These passes are checked out for 3 days. *It is recommended you reserve your pass for the day prior to your intended visit as passes may not be picked up before the reservation date.*

“I need to change my reservation.”

Print on Demand— Passes may only be changed or canceled by calling the Reference Desk.

Pick up/Return— You can check and edit your museum pass reservations by going to: www.jericholibrary.org/museumpass. Once you have read and accepted the Museum Pass Policy, click on the Museum Pass logo at the bottom of the screen. This will take you to the online reservation system. Enter your Jericho Library card number and PIN/Password at the top of the screen in order to review your museum pass reservations. Passes may be canceled when logged into your account. If you need to cancel on the day of pick up, call the Reference Desk.

“How long can I keep a pass?”

Print on Demand passes may only be used the day of your reservation, which is printed on your pass. You may discard the pass after visiting, no need to return!

Pick up/Return passes may be borrowed for up to 3 days. Museum passes are checked out at the Circulation Desk, and must be returned to a Circulation Desk Clerk no later than one hour before library closing on the due date.

Frequently Asked Questions

“How many passes may I check out?”

Only one pass may be checked out per library card at a time. Reservations cannot overlap.

“How many passes may I reserve?”

Patrons may reserve up to 4 passes per library card within a 60 day period. In fairness to others, only one reservation for a specific museum can be reserved within the 60 day time period.

“Do you take phone reservations?”

Patrons must read and agree to the Museum Pass Policy in order to proceed to the reservation system. Due to this, we are unable to take reservations over the telephone. If you need assistance making a museum pass reservation, speak to a Reference Librarian.

“Are these passes really free?”

Museum passes may be borrowed free of charge by Jericho Public Library cardholders, over 18 years of age, in good standing. For Pick up/Return passes only, a fee of \$10.00 per day will be charged to the borrower for passes held beyond the three day loan period. A \$50.00 replacement cost of the pass will be charged to the borrower for passes that are lost.

“What happens if the museum is closed?”

OR

“Why did I have to pay for admission into a special exhibit?”

Borrowers are responsible to call the museum directly for hours of operation, parking or directions. Each museum determines the rules and regulations governing the use of its museum pass. The museum pass may not provide admission to all exhibits at the museum. Borrowers are advised to have a back-up plan in case the museum is unexpectedly closed, or if a Pick up/Return museum pass is not returned in time. The Library assumes no responsibility of any kind arising out of the reservation or use of museum passes or any parking accommodations.
