Dear Jericho Library Community,

Thanks to your overwhelming support, the Jericho community voted to approve the library's 2025/2026 fiscal year budget which falls below the tax cap and reflects a 2.15% increase to the tax levy. We strive to maximize every tax dollar and provide valued services to patrons of all ages in Jericho.

We've been hard at work making your library experience even better and we invite you to take full advantage of the many new and exciting programs we offer. Whether you're here to learn, explore, relax, or connect, we have something for everyone. Your ongoing participation and presence help strengthen our library and bring our community closer together. Help us to 'Imagine the Future of the Library' and take our survey (information is below). Your feedback is critical in helping us to plan future enhancements.

It is a privilege to serve the community, and on behalf of the Board of Trustees and our dedicated library staff, thank you for your continued support. We look forward to seeing you at the library!

Kind Regards,
Angela Cinquemani, Director
