#### ANGELA CINQUEMANI

**BUDGET**- The Jericho School District Board of Education has authorized the Jericho Public Library proposed budget and tax levy for fiscal year 2025/2026 to be reflected in the voting machines on May 20, 2025, in the Gymnasium of the Jericho High School between 6:00 AM and 9:00 PM. The budget hearing is scheduled for May 13, 2025 at 7:00 PM in the High School Little Theater. Budget information is posted on the library website and copies can be requested at the second floor Reference desk.

**MUSEUM PASSES**- The Heckscher Museum of Art has a new grant in place from Bank of America so Jericho patrons can visit for free, with no pass required. Harbes Farm introduced a new pay structure requiring the library to purchase a costly pass (which in the past covered all admission fees)- library patrons must present the pass <u>and</u> pay a discounted admission fee. Nassau Libraries have not renewed the Harbes Farm pass and we have collectively expressed our deep dissatisfaction with this model. The Long Island Children's Museum is now a print on demand pass admitting 2 visitors per pass (reduced from 6). Once again, Nassau Libraries contacted the museum to express frustration with this change. To date the museums have not changed their stance.

**SAFETY**- Syosset Public Library, our neighboring library, received two bomb threats by phone. The perpetrator was found and apprehended. It is believed that these were isolated incidents. The Jericho Library safety committee reviewed and updated our safety procedures. We conducted a fire drill on April 8 and successfully evacuated patrons and staff from the building.

**NYS ANNUAL REPORT**- The New York State annual report has been finalized and sent to the Nassau Library System for review. The report is then submitted to New York State. Many thanks to Ms. Fran Medina and our library staff members for calculating and entering the data needed.

**CAPITAL PROJECTS COMMITTEE**- The committee is reviewing the previously proposed referendum, the library building survey outlining necessary upgrades and repairs, other ideas for the library building, costs, potential funding opportunities, and a potential timeline. This will require time to research and discuss.

**IMLS**- An executive order that aims to dismantle IMLS (Institute of Museum and Library Services) to the extent practicable by law, was signed in March. IMLS is the sole federal agency responsible for funding library services nationwide. Most IMLS staff have been placed on administrative leave and processing of all grants has stopped. While the Jericho Library does not receive funding directly from IMLS, the State Library and other library programs we rely on do operate with IMLS funding. The NYS budget will likely still include Construction Aid for public libraries, but the applications may not be able to be processed by the state library in a timely

manner. Likewise, the distribution of state operating aid to NLS and individual libraries could be delayed or lose appropriate oversight. I am submitting requests for library construction aid for the coming fiscal year and will keep the Board informed as this evolves.

**LIBRARY ADVOCACY**- I participated in a virtual meeting with Senator Jack Martins (District 7). In attendance were other Nassau Library Directors as well as the Director of the Nassau Library System (NLS), Ms. Caroline Ashby. Topics of discussion included concerns regarding the New York State budget and library construction aid, IMLS, as well as Civil Service challenges. We appreciate all assistance in support of Nassau libraries and the communities we serve.

NASSAU COUNTY CIVIL SERVICE LETTER- For the last few years I've been communicating the challenges we've faced in hiring new staff members and the limitations of the current Nassau County Civil Service canvass lists. We have good news. Executive Director Carnell Foskey and various Civil Service personnel have agreed to support a two-year residency waiver pilot for the Librarian I title. The Librarian I exam would be opened to residents of Westchester, the 5 boroughs of NYC, and Suffolk. In order to get this approval on the agenda of an upcoming Civil Service Commissioners' meeting, they will need letters from individual libraries making the request and providing supporting evidence that are signed by the Board President. Please see the attached letter for review and approval.

**BUILDING & GROUNDS**- The Children's room has been given a fresh coat of paint in the storytime area and we look forward to adding decorative touches. Carpets in the library were shampooed and steamed by Rainbow Maintenance.

**EMAIL NEWSLETTER & PROGRAMS**- We encourage the Jericho community to take advantage of our wide variety of educational and recreational programs at the library. Please check our monthly calendar for the latest information: <a href="https://www.jericholibrary.org/events/month">https://www.jericholibrary.org/events/month</a> Patrons can check our event calendar and see when our Meeting Room on the first floor is available for shared public use.

Dear Judge Foskey,

- January 2025, Librarian I Part Time- 49 candidates (15 no responses, 34 declined, 0 available candidates)
- December 2024, Librarian I Part Time- 49 candidates (10 no responses, 39 declined, 0 available candidates)
- October 2024, Librarian I, Full Time- 40 candidates (30 declined, 5 no responses, 5 candidates available)
- May 2023, Librarian I Full Time- 30 candidates (6 no responses, 24 declined, 0 candidates available)

We appreciate Nassau County Civil Service's attention to this matter and look forward to a resolution that enables us to provide the outstanding service our residents deserve.

Sincerely,

Ms. Gloria Jacobson President, Board of Trustees
