Dear Jericho Library Community,

Thanks to your overwhelming support, the Jericho community voted to approve the library's 2025/2026 fiscal year budget which falls below the tax cap and reflects a 2.15% increase to the tax levy. We strive to maximize every tax dollar and provide exceptional programs and services for patrons of all ages in Jericho.

We've been hard at work making your library experience even better. Come enjoy our new outdoor patio and picnic tables, perfect for reading or relaxing in the fresh air. Inside, the building is cool and comfortable following last year's emergency HVAC replacement. You'll also notice our restrooms throughout the library are now equipped with sensor faucets for improved hygiene and convenience. We invite you to take full advantage of the many new and exciting programs we offer—whether you're here to learn, explore, unwind, or connect. Your ongoing support, participation, and presence help strengthen our library and bring our community closer together.

It is truly a privilege to serve the Jericho community. On behalf of the Board of Trustees and our dedicated staff, thank you. We look forward to welcoming you to the library soon!
