

**Program Registration: Jericho District Residents
Attending Children's Programs Policy**

If a child is registered for a program, a reminder email or call is made in advance of the program. If you do not reply to the email or call to confirm, we will assume your child will not attend. The child will be taken off the registration list and put on a waiting list for a 1-month period. If it happens a 2nd time, the waiting period will be 2-months. In this way, we can accommodate as many children as possible.

*Adopted by the Jericho Public Library Board of Trustees
