Checking out an eBook on a Kindle Fire*

1. There is no need to download the OverDrive app, simply begin by connecting to a Wi-Fi network & opening your Fire's browser
2. Go to http://www.jerichолibrary.org/online-services/overdrive/ & click on the OverDrive icon
3. Browse or search for an eBook you wish to borrow, then click on the book cover & tap **Borrow**
4. Enter your Jericho library barcode & PIN #
5. Click **Download** located next to the cover of the eBook & choose **Kindle eBook**, then **Confirm & Download**
6. You will be redirected to amazon.com & will need sign in with an Amazon account. **Make sure to sign in with the same Amazon account you used to register your Kindle**
7. Click **Get library book**, making sure to choose the correct Kindle in order to ensure delivery
8. On your Fire, press the settings icon & then press the 'sync' button
9. Once synced, the eBook title will appear on your carousel

***You will not be able to download an OverDrive Audiobook onto your Kindle**
