

JERICHO PUBLIC LIBRARY SEX OFFENDER POLICY

The Jericho Public Library receives announcements from the Nassau County Police Department on sex offenders as an electronic attachment e-mail to our administrative office. Photos, names, and current addresses with the type of offense committed from the perpetrator are sent monthly to the JPL. These announcements are filed in a binder in the Administration Office, and it is available to the public for inspection Monday through Friday 9-5 p.m. and Wednesday 10-5 p.m.

Access to this information is available to all library staff at any time.
