A Message from the Board of Trustees

Zero Percent Budget Increase for 2020/2021

Due to the unprecedented pandemic situation, the Board of Trustees has passed a resolution to maintain the current budget and tax levy for the 2020/2021 fiscal year. Since there will be no increase to this year's budget, it will help lessen the financial burden on the community, which is very important to us. In addition, there will be no fines until further notice.

While the library is closed, we are working very hard remotely to offer you many online, streaming and learning services as well as virtual programs for Children, Teens and Adults. Go to www.jericholibrary.org to access our Event Calendar for programs, ebooks, digital magazines and much more. We're still here for you and looking forward to seeing you soon.

Stay safe,
Christina Brenner, Director
